

Good morning!

When I said we would be in the wilderness for Lent, I didn't mean all this. Out of caution for all and because we are Christ-followers, Servants of Christ will not meet for worship for the Sundays of March 22nd and March 29th. We will, however, be the Church together. Now more than ever.

Here's what I mean. The Methodist founder, John Wesley, had 3 practical rules for every day: **Do no harm, Do good, Stay in love with God.** As a church, I ask you to join me in these practices over the next weeks.

-Do no harm. This is a main reason we will not be meeting at worship. I ask us to be prudent in all the things we still have to do: pick up needed groceries, prescriptions, etc. If you feel sick, even with a cold, please stay home and let someone bring you what you need.

-Do good. If you can, support local restaurants with pick up or drive thru. I am concerned this time will really hurt those in the hospitality industry. Maybe have children or grandchildren write general 'thinking of you' cards for those in nursing homes because they have been lonely for a long time. You can send them to church (**3827 Broadway St., Houston, TX 77017**) and we can mail them to those we know. Also, don't forget your church in your offerings; As with you, the bills don't care what virus is out there. Just mail your offering to the above address.

-Stay in love with God. We will send you a brief devotional by mail each week because we all need to experience God's Word, especially now. Pray. And will you join me in reading **Psalm 91** each day? I have attached a copy. It can change your life.

We are the Church in a whole new way now for the next couple of weeks. Thank you for journeying with us. We are here for you and with you and you can call at any time (713-986-5195 office, 727-481-4306 Pastor Chris' cell).

Take care of yourselves and others and be blessed!
